SOLO
CONSIDER CUP SANITATION
COVERED.
ALLEVIATE CUSTOMER CONCERNS WITH WRAPPED SINGLE SERVICE CUPS

GUEST SAFETY IS ALL WRAPPED UP.

SOLO® wrapped drinking cups reassure your guests that you are dedicated to sanitation and safety. They also help you save time, water and energy costs associated with cleaning traditional glassware.

ULTRA CLEAR™ (PET):

A high-end look and feel with superb clarity and crack resistance. Customizable designs available.

SOLO DIAMOND (PS):

Attractive, diamond-cut texture adds a touch of elegance. Custom designs also available.

GALAXY® (PS):

Economical alternative saves costs while keeping guests safe. Double sidewall ridges for added strength.

TROPHY® (PS):

Insulated, thin-wall foam cup. Hot/cold use and small case cube. Jazz, Bistro (pictured), and Symphony or custom print designs.

FEATURES	BENEFITS
Plastic Wrapped	More sanitary than reusable glassware
Single Use Product	Reduces theft and breakage of glasses, low replacement cost
Operationally Efficient	Labor and energy reduction
Variety of Cup Offerings	A cup for every type of operation
